Referral credits are not transferable. Referral credits will appear on both your account and the referred participant's account within two to five business days after the referred participant raises the minimum amount to qualify for the credit. A new participant is any participant who did not register for the 2024 event. Additional terms and conditions apply. You must comply with all applicable laws and regulations, including anti-spam laws. Any distribution of a referrer's name, including by email or social media, must be done in a personal manner. Bulk email distribution and any use of automated devices or third-party services is prohibited. Program links should only be sent to your own friends, family members, and direct acquaintances. Participants may not purchase Internet search terms or publicly advertise The Princess Margaret Northern Pass to Conquer Cancer in any fashion. Further, any distribution of a referrer's name that could constitute unsolicited commercial email or "spam," any content which impersonates or implies an affiliation with or endorsement by Northern Pass or any Northern Pass subsidiary, or any actions which otherwise violate any conditions imposed by Northern Pass, are prohibited and will be grounds for immediate termination without refund of donations received.
